

JOHNSON SAYS HE WILL NOW BE HIS OWN FIGHT BOSS

San Francisco, Cal., June 7.—Threats and counter-threats of gun-play, unpaid debts, managerial switches and the possible re-thrusting out of the referee situation, having as its object the selection of someone other than Tex Rickard, furnished the unwholesome and unprofitable drama at Jack Johnson's training camp Monday.

That he had severed all relations with George Little, his former manager, and would manage his own affairs, is the statement made by Johnson. Little reiterated his determination to hold Johnson to the terms of a contract he claims he made with the fighter and which Little declares will run until May, 1911. Little said he will take legal steps to see that he is not "juggled" out of it and intimated that his action might interfere with the fight itself.

Little wanted chief of police Martin to interfere in his behalf. Then he saw a lawyer and stated that he would take immediate legal steps to secure his hold on the business reins of the coming scrap.

Little claims Big Debt.

Little said that besides the \$10,000 forfeit money which he received for providing for Johnson, the champion owes him \$15,000 which the manager paid out on debts contracted by his charge. That part of this has gone to pay the expenses of Johnson's training in a Chicago hospital, is Little's contention. This payment, according to Little, was resented by Johnson, who was not inclined to authorize it.

A permit was granted by the board of supervisors for the erection of a grandstand in Central Park, where the arena for the Jeffries-Johnson fight is now under course of construction.

Johnson to Manage Himself.

Johnson is being strongly touted as Little's successor. The former has been in conference with Johnson the greater part of two days and intimates that he will take charge shortly. A switch in reference to being discussed, this being due to Nolan's dislike for Tex Rickard. After a conference with Rickard Johnson later gave out the following:

"Reports to me to the contrary notwithstanding, I have not and will not engage Nolan as my manager. I have no intention of engaging any one at present in the place of Little, and will manage my affairs myself."

Rickard stated frankly he did not look with favor upon Nolan as the colored champion's manager in the big fight.

Johnson is slated to do his next boxing tomorrow, when Al Kaufman, it is expected, will be his partner. Kaufman was due to arrive today but did not show up.

SPORTS

Big Ed Walsh got away with a one-bunch affair against Boston Monday and Chicago won, 1 to 0. Hall, for Boston, also pitched some, allowing but four taps.

Guns, razors, new managers and new referees are as thick as flies around the Johnson camp—in imagination only. The place is now enjoying police protection. Little, dethroned manager, suggested that Johnson bring his mother and wife to camp to do the cooking. Johnson said cooking was beneath them. That is now reputed to be the start of the rumormongers.

Joe Morris, after holding down second place until the season, is in the 24th round of the Lonaia derby Monday by a length. Boala Boala finished a good second with Donau, who had held the lead until the last eighth of a mile, badly beaten.

They're talking of calling off the baseball boycott. Some weeks ago the American Federation of Labor put the ban on every American league park on which Cleveland played, claiming the Cleveland club was under the organized labor. Ben Johnson and John Mitchell, however, got together at Cleveland Monday night and reached an agreement whereby the boycott will be removed. It is stated.

Mad runners had their inning at Gravesend Monday. Miss Nott won the feature race, the Bedford selling stakes, after a hard run all the way.

What Hughes Jennings released pitcher Brown for a mystery. He pitched some pretty good games for the Detroit Tigers and won a majority. He may be needed before their season is over, as some of Jennings's war horse relievers may give out.

Al Kaufman is scheduled to report at the Johnson training camp today or tomorrow, when the negro champion's heavy boxing will begin.

Jeff evidently put several hooks to the new Monday. It's said he brought back enough flimsy boys from his fishing trip to keep the camp supplied for a week.

Jesse Orendorff, Los Angeles catcher and manager of the Birbe Maroons at the beginning of the season, is in an Oakland hospital with a fractured skull, the result of being hit by a pitched ball.

Those St. Louis Browns are grabbing up everything that gives promise of becoming a ball player. They have now signed Joe Higgins, a Chicago semi-professional, to play first base. Higgins was signed on the strength of making three home runs and two three sacks in a recent game in the Windy city.

In a fast and furious battle at Pittsburgh last night Monte Attell and Patsy Brannigan, bantam weights, fought six rounds to a draw with Attell having a shade the better.

Billy Allen, Canadian feather weight champion, won decisively on points from the English feather weight Teddy (Snowball) Broad at Syracuse, N. Y.

Jimmy Howard, who was matched to fight Billy Papke 10 rounds at Kansas City on June 10, notified the promoters of the bout last night that he could not keep the engagement. The pugilist gave no reason for withdrawing from the match. An attempt is being made to get some other middleweight to box Papke on June 14.

The first town to town airplane race in France from Angers to Saumur, a distance of 29 miles by rail, was won Monday by Martine, who flew between the two points in 21 minutes, a speed of about 51 miles an hour.

Joe Chevalier, a pitcher from San Antonio and Swoboda, an infielder, lately with Waco, arrived in El Paso Monday and are looking for battles among the cactus thorns. Both are friends of manager Harbuck and he regrets that he is unable to take them on. There's plenty of elbow, however, with the other clubs, and Chevalier is already in communication with Bisbee regarding a pitcher's berth, as that club is in need of another good twirler, with a number of three game sessions coming up.

Dope On Texas League Games

Saturday and Sunday Games—Special Wire to The Herald.

HOUSTON IS DEFEATED.

San Antonio, Texas, June 7.—San Antonio defeated Houston Monday, 3 to 0. A base on balls, a hit and an error got one run in the first. In the eighth Firestone made a single and Blending brought him home with a two bagger. An error scored Blending. Both pitchers were in fine form, Watson having the best of the argument, but errors lost him the game.

FT. WORTH WINS TWO.

El Worth, Tex., June 7.—El Worth took both games in a double header from Dallas Monday. The scores were 4 to 0 and 1 to 0. Deardorff and Burke, of the Panthers, were too much for the Dallas sluggers and they could not connect with the horsehide. The Dallas pitchers did good work, but could not win the game without assistance.

WACO WINS FROM GALVESTON.

Waco, Tex., June 7.—Waco won from the Sand Crabs again Monday, 4 to 0. Vola, a San Antonio castoff, pitched a good game for Waco. He was wild for a few innings, giving a number of bases on balls, but settled down in the tight places. Bradford was no puzzle for the Navigators.

WILD PITCHER LOSES GAME.

Shreveport, La., June 7.—The Indians and Pirates battled fiercely Monday, but the former won, 3 to 1. It was one of the best games played here this season. Both Bandy and Herbert did excellent work in the box. The wildness of Herbert in the first inning, coupled with two errors, lost the game.

Paul After Mile Record.

Mike Murphy is training Captain Billy Paul of the Pennsylvania track team to lower Tommy Connell's American mile record of 4 minutes 15 3/5 seconds.

Best players that ever worked on a university team in this state.

Arthur Irvin, the Highland scout, is headed for Texas to look for players. He is after pitchers, infielders and outfielders. A number of other scouts are also making the rounds in this state.

An Irishman named Casey is playing first for the Oklahoma Indians, and is putting up a good game.

Griggs, the Texas second sacker for the St. Louis Browns, is doing much better since Newman joined the team. Those two are covering a whole lot of ground and both are batting well.

The New York Nationals have purchased pitcher Walter Shontz and first baseman Harry Gowdy of the Dallas team. The price is not given out. The players will not report until the end of the Texas season. Both Shontz and Gowdy have made brilliant records this season. Shontz won ten of the first twelve games pitched and has all along been pitching winning ball. Abner is the only ball tosser in the Texas league who has a better record. Gowdy has been doing sensational stunts around the initial sack. He is batting well over the .300 mark. Both men look like comers.

Deardorff is leading the members of the Fort Worth pitching staff in hitting. His consistent hitting is helping the Panthers to win the few games they are winning.

The recent contests between San Antonio and Houston indicate in a measure that San Antonio has the best team. Yet Galveston beats Houston and Dallas more often than San Antonio.

tonio. It would seem that Galveston is hoodooed in playing the Bronchos.

In Yantz, Alexander and Schan, San Antonio has three of the best backstops in the league. In addition Alexander can play any position on the team and is a good batter.

IS "THREE FINGERED" BROWN MATHEWSON'S MASTER

As has been the case for the past few years, rivalry is again intense between "Three Fingers" Brown of the Chicago Nationals and Christy Mathewson of the New York Nationals for the pitching honors of the country.

Recently a New York critic claimed that Mathewson was the greatest twirler the game ever produced, and many thousands will agree with him. But Chicago fans claim this is not so and say that their idol is the peer of any twirler in the country. To prove this they point to the records of the men when they have opposed each other for the last six years.

Brown and Mathewson have pitched against each other in seven-teen games, and Brown has won most two games to Mathewson's one.

The Chicago star is credited with eleven victories and the great Glant rival with six. Last season the New York pitcher won two of three games from Brown, but Mathewson's first victory over Brown last year was the first in four years. This season Mathewson is in better shape than Brown and may eclipse the latter's performances this year.

The following shows what the great pitchers have done against each other:

LANGFORD AND KETCHEL TO FIGHT

New York, N. Y., June 7.—J. F. Coffroth, a San Francisco fight promoter, today signed Sam Langford and Stanley Ketchel for a fight not less than 25 rounds on July 2 at Colma.

The fight will be on a basis of 60 percent to the winner and 40 to the loser, with a guarantee of \$30,000.

Pirate Players Not Handsome Chaps.

The most unattractive team today in major league company is the champion Pittsburghs, says Tim Murnane, the noted baseball scribe. They are picked for winners as much for their steady habits as their great ball playing qualities.

Fred Clarke picks men who attend strictly to business. They plug away from the drop of the flag until the line is crossed, condition counting at the finish.

JEFF TAKES ON JIM CORBETT AS BOXING PARTNER

Ben Lomond, June 7.—With Jim Corbett as his sparring partner, strenuous work will begin in the Jeffries training camp tomorrow. According to Jeffries's custom in taking on a new boxing partner, their first work will be done in private. Corbett is said to be in fine condition to stand the hard work which it is promised Jeff will give him.

The party returned last night from a fishing excursion with a supply sufficient to keep the camp in meat for several days. Jeff gave many of them away to his friends and several good fish dinners were the result. Eddie Graney is at the camp to see Jeff and Corbett box.

MORENCI WILL PLAY AT CLIFTON SUNDAY

Last of the Stay at Home Series—Both Teams Strengthened.

Clifton, Ariz., June 7.—There will be no Saturday game between Clifton and Morenci this week, but the two clubs will play in Clifton Sunday. This will be the last game before the clubs get out on the circuit.

Baroldy has returned from his home in Solomonville for the Sunday game. Although he is wearing a Clifton uniform, Vic Walling still has a string on him. Baroldy is anxious to stay in Clifton and manager Riley is trying to secure his release from Cananea.

Harry Volbrecht has been secured from Morenci to cover first during the coming series and will probably be retained until after the first Douglas games as the new Clifton players will not arrive until June 20.

Morenci has secured Manes from the coast to cover the initial sack and judging from his fast work in the past series he has earned a regular berth.
